DISCOUNT SETUP – How to Add and Set Discounts

1. On the main menu, click DISCOUNTING button

2. The Discount Lists form will appear. The lists show the default discounts of the program and the standard discount rates (Zero, Variable, Senior Citizen and PWD). Click ADD button to add new discount.

- The Discount Detail form will appear. The user can create a desired discount by filling out the information needed and may set a SCHEDULE (Date, Day and Time) by checking the corresponding boxes. Click LOCK button to save and CLOSE to go back to Discount Lists.

The screenshot shows the 'Discounting Detail' form in the Liteclerk POS application. The form has a menu bar with 'Menu', 'Setup', 'Discounting List', and 'Setup - Discounting Detail'. The main form area contains the following fields and controls:

- Discount:** A text input field with a red arrow pointing to it.
- Discount Rate:** A text input field with the value '0.00' and a red arrow pointing to it.
- VAT Exempt:** A checkbox.
- Date Scheduled:** A date picker set to '6/11/2022'.
- Day Scheduled:** A set of checkboxes for days of the week (Mon, Tue, Wed, Thu, Fri, Sat, Sun).
- Time Scheduled:** A time picker set to '12:18 PM'.

At the bottom of the form, there are buttons for 'First', 'Previous', 'Next', and 'Last'. The status bar at the bottom of the window displays 'Terminal: 001', 'Date: 6/11/2022', and 'User: admin'.

- If a specific discount set is no longer applicable just Click Edit button in the Discount Lists form then Click UNLOCK button and then CLOSE. The specified discount will no longer be useable.

CUSTOMER SETUP - How to add customer

- On the main menu, click CUSTOMER button. The Customer Lists form will appear. Click ADD button to add new customer.

The screenshot shows the 'Customer List' form in the Liteclerk POS application. The form has a menu bar with 'Menu', 'Setup', and 'Customer List'. The main form area contains a table with the following columns: 'Code', 'Customer', 'Contract No.', and 'Address'. The table has one row with the following data:

Code	Customer	Contract No.	Address
00000000001	Mark D	Mark D	Mark D

At the bottom of the table, there are buttons for 'First', 'Previous', '1 / 1', 'Next', and 'Last'. The status bar at the bottom of the window displays 'Terminal: 001', 'Date: 6/11/2022', and 'User: admin'.

- The user will redirect to Customer Detail form. Fill out the information needed and set a Credit Limit in order for the customer to make transactions. Click LOCK button to save and CLOSE.

USER SETUP - How to add User Access Account

- On the main menu, click USER button.

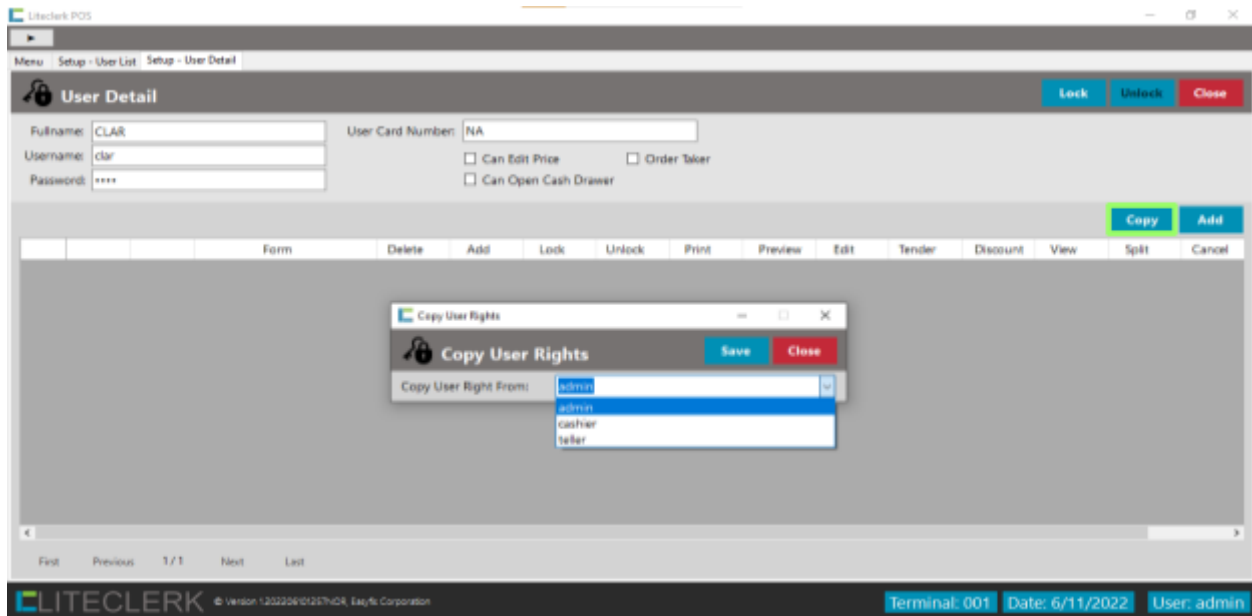

2. User Lists form will appear. The program had existing users (admin, cashier and teller) by default. Click **ADD** button to add a new user.

3. User Detail Form has default values just replace with the new user information.
4. Add User Rights by clicking the **Add** button.
5. "Add button" on click displays User Form Detail. Select specific form that the user can navigate and check what activity a user can perform and then click save.

6. User can only have access to forms that he/she is allowed to access and performs activities based on what the user is authorized to perform within a form or forms. Admin can view, can add, can edit and can delete User Rights.

- Admin may also use **Copy** beside the **Add button**, to copy the rights of an existing user.
- Click the drop down arrow , select a specific user access rights to copy then click Save

- Lastly, click **LOCK** button to save the information and **CLOSE** to go back to the main menu of the program.

CHAPTER 3 – POS Activities

POS Sales Listing

- On the main menu, click POS button

2. "POS button" on click shows Sales List Form. On the right side of the form current selected sales detail is displayed.

Legend: L – Lock T – Tender C- Cancel

POS Sales Detail

1. Click **NEW SALES** button or press **F5** at the keyboard to start your transaction.
2. The Empty Sales Detail form will appear.
3. The User can add item or items in two ways. First is by means of inputting barcode and click "Barcode button". And second is through "Search Item button", when click List of Items is shown.

POS Sales Detail - Adding Sales Line Item by Barcode

1. Fill out the empty field with the item barcode then hit "Enter" on your keyboard. Item with match barcode will automatically add to sales line.

The screenshot shows the 'Sales Detail' screen in the Liteclerk POS application. On the left is a vertical toolbar with function keys: F7 Tender, F2 Print, F3 Lock, F4 Unlock, F5 Return, F6 Discount, F11 Override, Esc Close, and F12 Open Drawer. The main area displays order information: Order No. 0000000004, Order Date: 6/11/2022, Code: 0000000001, Customer: Walk-In, and Remarks. A large '8.00' is shown in the top right. Below the order info is a barcode input field containing '480601000000'. To the right of this field are buttons for 'F9 - Search Item' and 'F10 - Download'. Below the input field is a table with columns: Item Description, Quantity, Unit, Price, Discount %, Discount, Net Price, and Amount. The table contains one row: 'Armak Scratch Tape 1/2x25' with Quantity 1.00, Unit Pc(s), Price 8.00, Discount % 0.00, Discount 0.00, Net Price 8.00, and Amount 8.00. At the bottom, a red bar shows 'Last Change: 1.00'. The footer includes the Liteclerk logo, version 1.202206101257NOR, Easyfis Corporation, and terminal/user information: Terminal: 001, Date: 6/11/2022, User: admin.

POS Sales Detail - Adding Sales Item by Search Item

1. "Search Item button" on click, Search Item form show. To add item to current Sales, user must select item and click the "Pick button".

This screenshot shows the 'Sales Detail' screen with the 'Search Item' form open. The search form is a modal window with a table listing items. The table has columns: Barcode, Item Description, Generic Name, Category, Price, On Hand Qty., I, and Pick. The items listed are: Vermicelli 250mg, Vermicelli 500mg, *Armak 2***, *Paint Brush 2***, 1.4L Cookies & Cream, 3N1 TUBS CHOCO-KESO 1L, 3rd Class Flour, 3x4 inch Post It, 7 up, 7up 1.5 L, and 7up 8'oz. Each item has a 'Pick' button next to it. The background 'Sales Detail' screen shows a total of '0.00' and the same toolbar and footer as the previous screenshot.

POS Sales Detail - Adding Sales Item Detail

- When "Pick button" clicked, the Sales Item form shows. Sales Item shows the detail of the selected item and current user must specify the quantity of the item, and then save. Once saved, it will be added to the current Sales and be redirect to Search Item form. User can add more items by repeating the same process. Just close the Search Item form when done adding items.

The screenshot shows the 'Sales Detail' window with a sidebar on the left containing function keys (F7-Tender, F2-Print, F3-Lock, F4-Unlock, F5-Return, F6-Discount, F11-Override, Esc-Close, F12-Open Drawer). The main area displays the 'Sales Item' form with various input fields for item details. A 'Search Item' window is overlaid on top, showing a list of items with barcodes and prices. The 'Sales Item' form has buttons for 'Ent - Save' and 'Esc - Close'. The bottom status bar shows 'Terminal: 001', 'Date: 6/11/2022', 'User: admin', and 'Last Change: 1.00'.

POS Sales Detail - Tender

- To tender transaction to just click the "Tender button" or press F7 on your keyboard to collect the payment.

The screenshot shows the 'Sales Detail' window with the 'F7 Tender' button highlighted in the sidebar. The main area displays the 'Sales Detail' form with fields for Order No., Order Date, Code, Customer, and Remarks. The 'Sales Detail' form has buttons for 'F7 - Barcode', 'F8 - Search Item', and 'F10 - Download'. The bottom status bar shows 'Terminal: 001', 'Date: 6/11/2022', 'User: admin', and 'Last Change: 1.00'.

- Tender form shows to ask for the buyer's payment amount. Liteclerk POS accepts multiple payment type.

The screenshot shows the 'Tender' window in the Liteclerk POS application. The window has a title bar with 'F2 - Sales', 'F3 - Tender', and 'Esc - Close'. The main area displays a table of payment types and their amounts:

PayType	#	Amount
Cash	#	20.00
Check	#	0.00
Credit Card	#	0.00
Gift Certificate	#	0.00
Exchange	#	0.00
Reward Points	#	0.00
Charge	#	0.00

Below the table, the 'Tender Amount' is 0.00 and the 'Change' is -12.00. The background shows the 'Sales Detail' window with a total of 12.00. The bottom status bar indicates 'Terminal: 001', 'Date: 6/11/2022', and 'User: admin'.

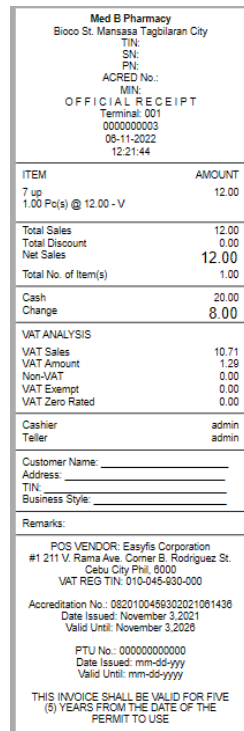

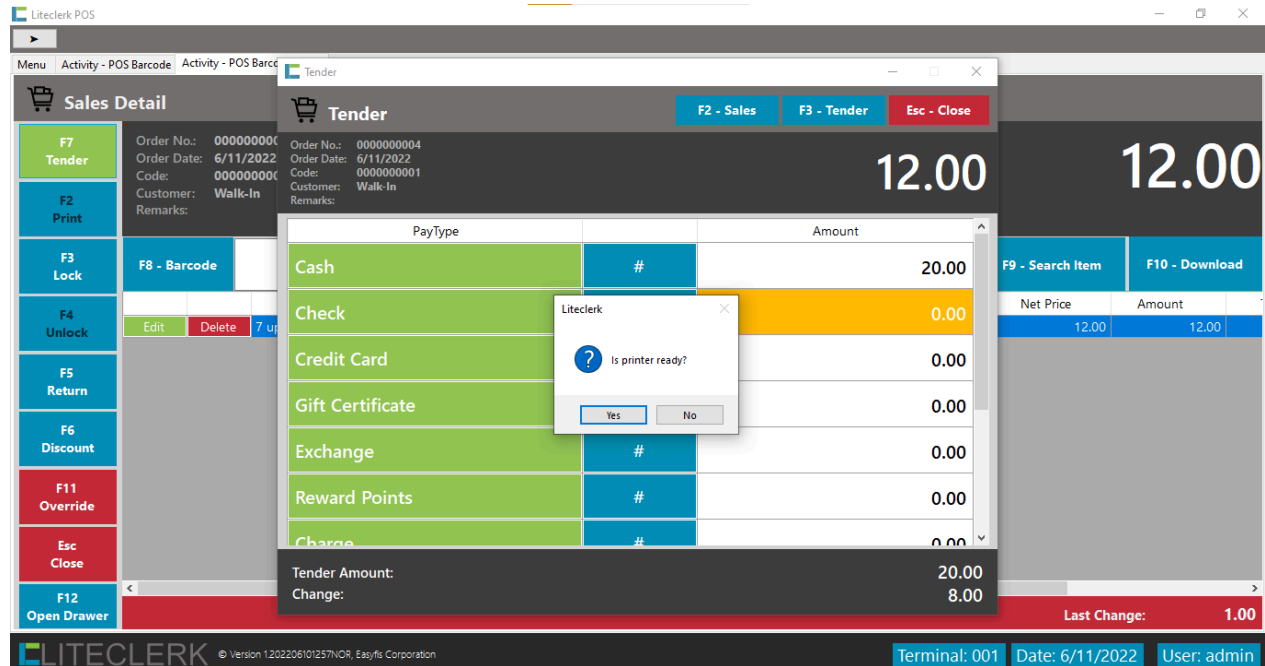

- Other payment types require additional information, excluding payment type "Cash". Click "Ent - OK" to save additional information.

The screenshot shows the 'Tender' window with the 'Check' payment type selected. A 'Check Information' dialog box is open, prompting for the following details:

- Check Number: (empty field)
- Check Date: 6/28/2022 (with a calendar icon)
- Bank: (empty field)
- Amount: 12.00

The dialog box has 'Ent - OK' and 'Esc - Close' buttons. The background shows the 'Tender' window with the 'Check' amount of 12.00. The bottom status bar indicates 'Terminal: 001', 'Date: 6/11/2022', and 'User: admin'.

- To finish the transaction, input the buyer's payment amount then click "Tender button" or press F3 on your keyboard, the system will print an official receipt, to print just click YES. Then, recreate new Sales.

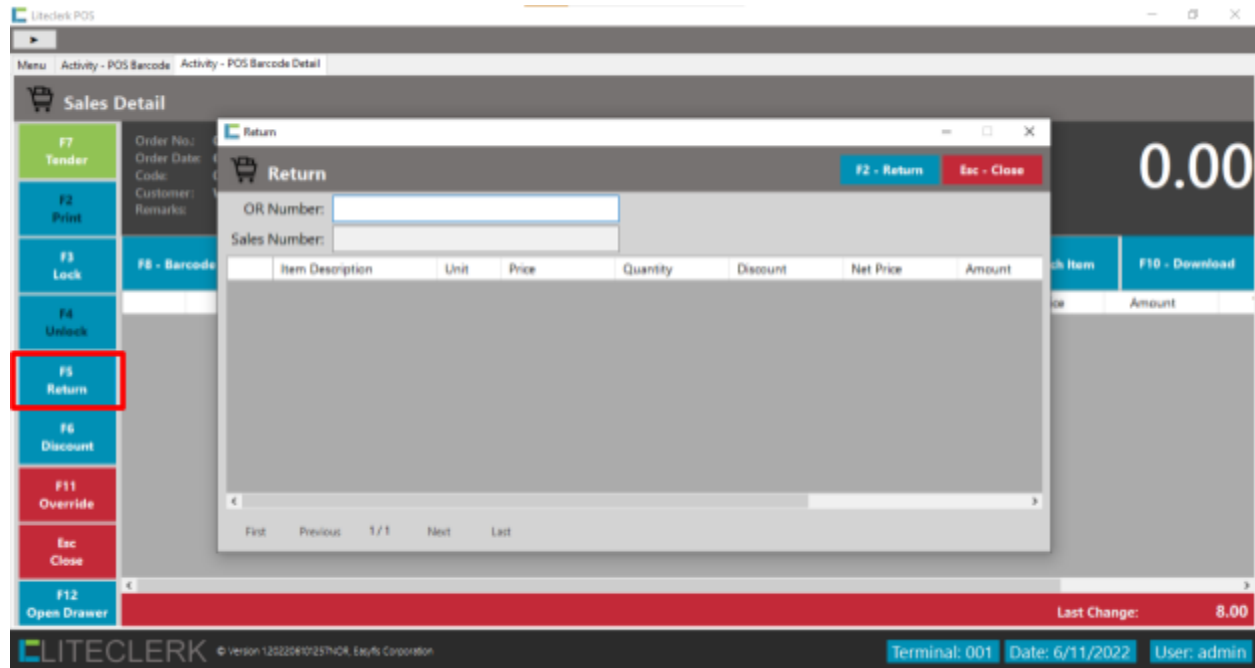

Sample OR (Official Receipt)

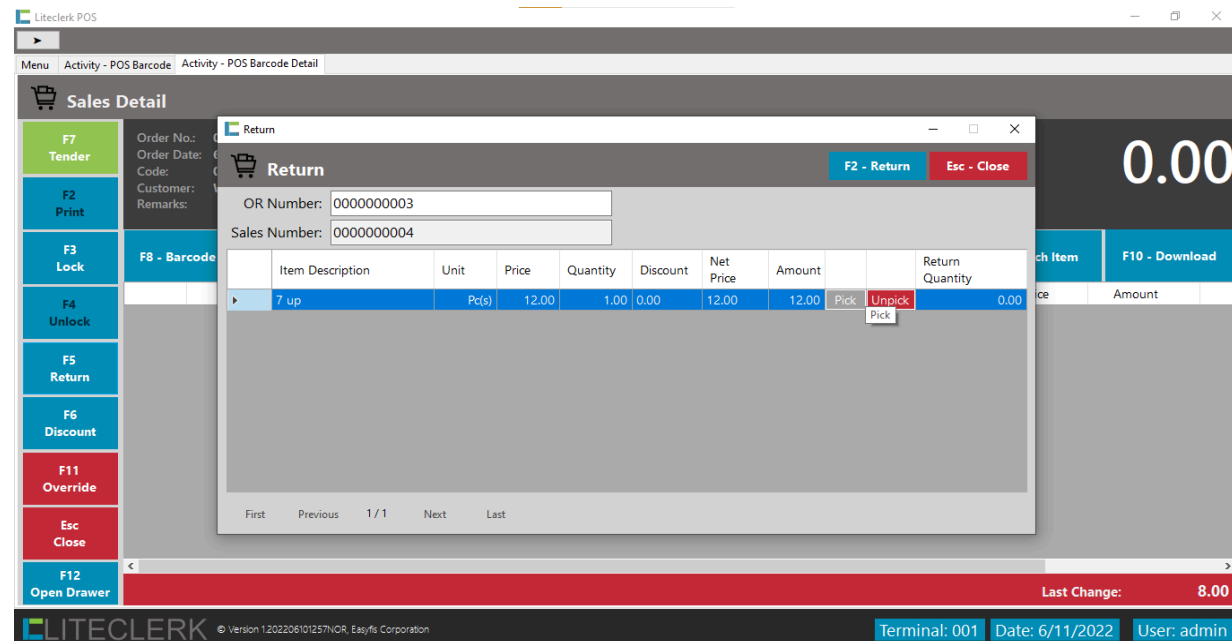

This is the sample OR (Official Receipt) printout
